Introduction

Insurance protection against the financial hardship that so often accompanies sickness, accident or death is important to all of us. In order to make this protection available to you, a Group Benefit Plan has been arranged to assist in protecting the Plan Participants of the Operating Engineers of Manitoba Local 987 Health and Welfare Trust Fund from these hardships. The Supplementary Healthcare and Dentalcare Benefits are designed to assist you with the payment of these expenses. (It may not pay the total cost of services and supplies.) In effect, this Group Benefit Plan shares the payment of your medical and dental bills with you. The Benefits are underwritten by the Manulife Financial, RSA Travel Insurance, and Chubb Life Insurance Company of Canada (Chubb Life), and Homewood Health.

To further assist Members and their families expediently and efficiently, Plan benefits have been expanded to include the People Connect Mental Health Resource along with the Coughlin Care Gold Virtual Benefits which can be accessed remotely via computer, secure text, video chat or telephone.

We urge you to read your booklet carefully to thoroughly familiarize yourself with the benefits that are available to you and your dependents.

Please note that benefits may change at any time given legislative revisions and/or the costs of providing Plan benefits. You will be advised accordingly of any benefit changes.

The Plan Administrator is Coughlin & Associates Ltd. and their office is located at Suite 1391 – 1403 Kenaston Blvd, Winnipeg, Manitoba, R3P 2T5. If you have any questions concerning your benefits or claim procedures, please contact the Plan Administrator at (204) 942-4438 or Toll Free 1-888-204-1234 for this information.

We are pleased to make these arrangements on your behalf and are certain that your participation in the Plan will bring greater security and peace of mind to you and your family.

Sincerely,

The Board of Trustees of the Operating Engineers
of Manitoba Local 987 Health and Welfare Trust Fund

While each eligible Participant will still have an account kept by Coughlin & Associates Ltd., it will reflect the contribution remittance received from your Contributing Rural Municipality (i.e. Employer) for the purpose of Group Benefits. Your Employer will no longer remit monthly contributions based on actual work hours, rather a flat amount based on your age category (under age 65, age 65-70 and over age 70). Any accumulated balance in your account on the date of transition will be maintained until either lay-off or retirement, where the balance will be draw down.

Initial Eligibility

Local 987 Non-Member Participants the waiting period is **six (6)** consecutive months of employment. **To be eligible for benefits, all members and non-member participants must complete and submit an Enrolment Card.**

For Supplementary Healthcare, People Connect, Coughlin Care, Dentalcare and Travel Medical Emergency benefits:

You and your eligible dependents will become insured for coverage **on the next day of the month of satisfying your waiting period or date of rehire** provided you are actively at work or available for work on the day you would ordinarily become insured.

If you are unable to work when coverage would be in effect, the effective date of coverage will then be postponed until you are able to work.

Ongoing Eligibility

Each month an amount will be deducted from the Union Member's Account equal to the contribution remittance based on the applicable age category. This is also applicable for Local 987 Non Member Participants.

For Local 987 Non Member Participants coverage ceases immediately upon the date of termination of employment or lay-off.

However, if a Dependent is domiciled outside Canada, such Dependent may be deemed to be domiciled in Canada provided such individual is covered under a provincial medical plan and prior written approval is obtained from the Insurer.
- Your spouse as the result of a valid civil or religious ceremony, or a person (including same-sex partners) whose relationship with you has existed for a minimum period of twelve (12) consecutive months immediately prior to the date on which a claim arose.
- Unmarried children who are under age 22, or under age 25 if attending an accredited school, college, or university as a full-time student. Dependent children must be dependent on you for support and not employed at a regular full time job. With respect to Dependent Life Insurance, dependent children must be over 14 days of age.
- A child of your spouse provided:
 - i. he/she is also your biological child; or

- Divorced or separated spouses (with or without a court order or separation agreement) are **not** eligible for coverage.

If a dependant is confined for medical care or treatment in any institution or at home when coverage would normally start, the dependant will not be covered until given a final release by the physician from all such confinement.

IMPORTANT:

PLEASE REPORT ALL CHANGES OF BENEFICIARY, DEPENDENT STATUS AND ADDRESS TO THE PLAN ADMINISTRATOR AS SOON AS POSSIBLE.

Continuation of Benefits for Dependants

If your death occurs while you are insured, the Supplementary Healthcare (including Travel Medical Emergency), People Connect, Coughlin Care, EFAP, and Dentalcare coverage for your dependants will continue for a period of twenty-four (24) months. If your surviving children cease to qualify as eligible dependants (as defined earlier), any coverage continuing after your death will terminate on the earlier of the date they no longer qualify or the date that the policy or benefit terminates. Your surviving spouse shall cease to qualify on the earlier of the date of re-marriage or the date the policy or benefit terminates.

Reinstatement of Eligibility

For Supplementary Healthcare, People Connect, Coughlin Care, Dentalcare, and Travel Medical Emergency (TME) benefits:

If your benefit coverage has previously terminated because of a lay-off and you chose not to self-pay to continue coverage, you will again become insured on the first day of the following month if the Plan Administrator has received notification of your rehire in such month and the applicable monthly contribution remittance received no later than the 15th of the next month **provided your return to work is within 6 months.**

For Life, Dependent Life, Weekly Disability Income, EFAP, and Accidental Death and Dismemberment (AD&D) Insurance benefits:

If your benefit coverage has previously terminated because of lay-off and you chose not to self-pay to continue coverage, you will again become insured on the first day of the month following your return to work if the Plan Administrator has received notification of your rehire

in such month and the applicable monthly contribution remittance received no later than the 15th of the next month **provided your return to work is within 6 months.**

Should you not be working or not be available for work on the first day your coverage would ordinarily become reinstated, the coverage for you and your dependents will be delayed until you return to work or are available for work.

If upon termination of your Group Life Insurance you have converted your Life Insurance Policy in accordance with the section of “Conversion Privilege”, it will be necessary for you to submit evidence of insurability satisfactory to the Insurer before again becoming insured for Group Life Insurance.

Changes in Insurance Benefits

If your insurance benefits change because of an amendment to the Plan, or because of a change in your age, class, earnings, dependent status, etc., the new benefits become effective on the date the change affecting your benefits occurred.

When a change results in increased benefits, you must be actively at work to be eligible for the new benefits. If you are not at work on the date the new benefits would otherwise become effective, the change will not become effective until you return to work. Increased benefits for a dependent confined in hospital on the date the new benefits would otherwise become effective do not become effective until he or she is released from hospital. In any case, payment for services and supplies received before the date of an increase in benefits will always be based on Plan benefits in effect before the change.

Termination of Insurance

Coverage for you and your eligible dependants will terminate:

- 1) For a Union Member, at the end of the month wherein you do not have at least one month’s contribution remittance in your Account. However, you may arrange to have your coverage continued on a self-pay basis as per the Self-Payment provision in this booklet. The Plan Administrator will contact you with the required self-pay amount.

- 2) **If you cease to be a Member of the Union.**
- 3) For Local 987 Non-Member Participants, at the end of the month following the date of termination of employment or lay-off (except for Disability Income coverage which will cease immediately). Local 987 Non-Member Participants are not eligible to make self-payments.

- 9) When you attain age 75 unless you are a Union Member still actively working, with respect to Supplementary Healthcare, Travel Medical Emergency, EFAP, and Dentalcare Benefits. Please note that the Outside Canada Referral benefits within the Supplementary Healthcare benefit cease at age 65.
- 10) The date you become eligible for other Group Insurance benefits similar to those for which you are covered under this Plan.
- 11) For a dependant, once they no longer qualify as an eligible dependant (please refer to Eligible Dependants section).

Self-Payment Provision

A **Non-Working Union Member** whose benefit coverage is terminated due to insufficient funds in Account may continue to have coverage for him/herself and eligible dependents by making monthly self-payments to the Plan through the Plan Administrator (Coughlin & Associates Ltd.) for eighteen (18) consecutive months (the first six (6) months for all benefits including Weekly Disability Income (WI) and twelve (12) months for all benefits excluding WI). The payment must be made prior to the twenty-

eighth (28th) of the month following the month in which the member's Account falls below the required deduction.

A **Retired Member** who is “running down” his/her Account, if applicable, has coverage for all benefits (excluding WI). Upon the “running down” of the Account, the Retired Member may make monthly self-payments for only Dentalcare, Supplementary Healthcare, People Connect, and Coughlin Care coverage for eighteen (18) months.

All benefit coverage when self-paying will cease upon the attainment of age 75.

Before your benefit coverage terminates, the Plan Administrator will inform you of your option to continue your benefit coverage through self-payments.

Eligibility to self-pay is contingent upon the discretion of the Union, whereby the Union and Retired Member must remain in good standing with Local 987.

Monthly Statements

Each month a statement is mailed to each Participant (excluding Local 987 Non-Member Participants).

The statement will show the amount required to pay on a “self-pay basis”. If the required amount is not paid, the next statement will show you as being out of benefit with a final option to self-pay. If self-payments are not made when required, your coverage will not again become effective until you have satisfied the reinstatement requirements.

In order to ensure you are receiving this statement it is necessary to promptly inform the Plan Administrator of any change of address.

This statement will show the Participant's benefit status, the Employer's contribution, and the previous and present months' Account balance. It should be noted that an amount is deducted (refer to Ongoing Eligibility) from your Account balance each month to pay the premium for your coverage.

Disability Claims

All disability claims should be recorded with Manulife and Coughlin & Associates Ltd. regardless of whether or not you are eligible for Workers' Compensation, Auto Insurance or Employment Insurance (E.I.) Disability Benefits. This recording will

assist you should your claim with these agencies be declined either immediately or at a future date. In addition, proper application will be made relative to a waiver of Life Insurance premiums which is required within twelve (12) months of the date of initial disability.

Disability Provision

Disabled Local 987 Non-Member Participant

A disabled Local 987 Non-Member Participant may have coverage extended for twelve (12) months from the date of disability provided the required monthly contribution is remitted to the Trust Fund on his/her behalf.

Wage Loss Provision

In the event that an insured Union Member incurs a total disability while on lay-off or leave of absence and is making self-payments for the first six (6) months, the Plan will recognize the disability for wage loss benefits (Weekly Income) from the scheduled date of return to work provided the Union Member is still totally disabled and furnishes attending physicians' statements certifying continued disability.

This will maintain coverage under the Operating Engineers of Manitoba Local 987 Health and Welfare Trust Fund.

Travel Card Members – Employees of Employers on whose behalf contributions are made but who are Members of other Local Unions or Funds and whose Funds have entered into reciprocal agreements with the Operating Engineers of Manitoba Local 987 Health and Welfare Trust Fund will **not** be eligible for benefits but will have all contributions made on their behalf reciprocated to their "Home Fund" after they complete a Transfer Authority Form.

Third Party Liability

If you or your dependent has the right to recover damages from any person or organization with respect to which benefits are payable by the Insurer, you will be required to reimburse the Insurer in the amount of any benefits paid out of the damages recovered.

The term “**damages**” will include any lump sum or periodic payments received with respect to (1) past, present, or future loss of income, and (2) any other benefits, otherwise payable by the Insurer.

If you or your dependant receives a lump sum payment under judgment or settlement for benefits which would otherwise be payable by the Insurer, no further benefits will be paid by the Insurer until the benefits that would otherwise be payable equal the amount of the lump sum.

If a claim for damages is settled before trial, you will be required to reimburse the Insurer the amount that reasonably reflects the loss of benefits that would otherwise be payable by the Insurer.

Such expenses may be higher than this amount, therefore you will be responsible for paying any difference between the amount you incur and the reasonable and customary costs reimbursed by the Insurer.

Before travelling outside of province/country if you have any doubts concerning the extent of your Group Travel Medical Emergency coverage due to recent medical treatment (i.e. cancer, pregnancy, etc.) or illness, you should contact the Administrator to follow-up with the Insurer, RSA (Global Excel) to confirm coverage.

Dentalcare

In the event you incur in a calendar year any of the Eligible Expenses listed below, you will be reimbursed as per the Highlight of Benefits section.

Coverage Ceases

For Union Members, Dentalcare coverage ceases at the earlier of age 75 (unless actively working), and/or following depletion of your Account and/or self-pay period, or if you are no longer a Member in good standing with Local Union 987.

For Local 987 Non-Member Participants coverage ceases at the earlier of age 75, the date of retirement, cessation of employment or lay-off.

Extension of Benefits

No benefits for Eligible Expenses will be paid for claims incurred after the termination of the Master Policy or after your insurance under this coverage ceases unless you die while insured. In this regard, please refer to the Continuation of Benefits section.

Alternate Benefits and Submission of Treatment Plan

Where there exists more than one customarily employed and professionally adequate method of treating injury or disease to the teeth, Manulife reserves the right to determine eligible expenses on the basis of an alternate benefit.

Before your dentist starts a course of treatment, he/she will, upon request, prepare a “treatment plan” – a written report describing his/her recommendations as to necessary treatment and cost.

- **You will be required to submit a treatment plan to the Administrator before treatment starts for any Routine or Major Treatment expected to cost more than \$500.** This enables the Administrator to determine in advance the benefits payable for the proposed treatment, and this allows you to know any portion of the cost you will have to pay.
- If you do not submit a “treatment plan” where required, you may find that your claim, or a portion of it, may not be covered.

Note: The proposed course of treatment must be completed within six (6) months for the benefit determination to remain valid. Otherwise, it is suggested you submit a new treatment plan.

 5. **Laboratory charges** - are limited to 60% of the professional fee.

Exclusions and Limitations

Payments will not be made for any dental procedure in respect of any injury or dental disease for which you or your dependent were advised to receive treatment or for which treatment first begun before you or your dependent became insured for that dental procedure. Payments will not be made for any dental procedure in respect of teeth missing, extracted or fractured before you or your dependent became insured for that procedure except for appliance replacement as specifically stated under Eligible Expenses.

No benefit will be payable for the initial installation (or addition) of prosthetic devices unless such installation (or addition) is required primarily due to teeth that were missing, extracted or fractured after becoming insured under this plan for prosthetic devices.

No benefit is payable for the following:

1. Services or supplies that are primarily for cosmetic dentistry;
2. Services or supplies which are not furnished by a legally qualified dentist or denturist acting within the scope of his/her license;
3. Any charge for an injury resulting from war, riot, insurrection or participation in a criminal act;
4. Any miscellaneous charges such as counseling or instruction, travel, broken appointments, communication costs or filling in of forms;

8. Any dental examinations required by a third party;
9. Diagnostic procedures in connection with any benefit categories excluded as eligible expenses;
10. Any services or supplies in connection with Orthodontics.

Co-Ordination of Benefits

If you or your dependents are insured for similar benefits under another Plan (i.e. Group Health Program, or other arrangements covering individuals in a group), Manulife will take this into account when determining the amount of expenses payable under this Plan.

This process is known as Co-ordination of Benefits. It allows for reimbursement of insured medical and dental expenses from all Plans, up to a total of 100% of the actual expense incurred provided the expense is eligible under both plans.

Order of Benefit Payment

A variety of circumstances will affect which Plan is considered as the “Primary Carrier” (i.e. responsible for making the initial payment toward the eligible expense), and which Plan is considered as the “Secondary Carrier” (i.e. responsible for making the payment to cover the remaining eligible expense).

- If your Spouse’s Plan does not allow for Co-ordination of Benefits, it will be considered as the Primary Carrier, and will be responsible for making the initial payment toward the eligible expense.
- If your Spouse’s Plan does allow for Co-ordination of Benefits, the following rules are applied to determine which Plan is the Primary Carrier.

- **For Claims incurred by you or your Dependent Spouse**

The Plan insuring you or your Spouse as an Employee/Member pays benefits before the Plan insuring you or your Spouse as a Dependent.

In situations where you or your Spouse have coverage as an Employee/Member under more than one Plan, the order of benefit payment will be determined as follows:

- The Plan where the person is covered as an active full-time Employee, then
- The Plan where the person is covered as an active part-time Employee, then
- The Plan where the person is covered as a Retiree.
- **For Claims incurred by your Dependent Child**

The Plan covering the parent whose birthday (month/day) is earlier in the calendar year pays benefits first. If both parents have the same birthdate, the Plan covering the parent whose first name begins with the earlier letter in the alphabet pays first.

However, if you and your Spouse are separated or divorced, the following order applies:

- The Plan of the parent with custody of the child pays, then
- The Plan of the spouse of the parent with custody of the child pays (i.e. if the parent with custody of the child is remarried or has a common-law spouse, the new spouse's Plan will pay benefits for the Dependent Child) , then
- The Plan of the parent not having custody of the child pays, then
- The Plan of the spouse of the parent not having custody of the child (i.e. if the parent without custody of the child remarries or has a common-law spouse, the new spouse's Plan will pay benefits for the Dependent Child).
- A claim for accidental injury to natural teeth will be determined under Extended Health Care Plans with accidental dental coverage before it is considered under Dental Plans.

- If the order of benefit payment cannot be determined from the above, the benefits payable under each Plan will be in proportion to the amount that would have been payable if Co-ordination of Benefits did not exist.

Submitting a Claim for Co-ordination of Benefits

To submit a claim when Co-ordination of Benefits applies, refer to the following guidelines:

- As per the Order of Benefit Payment section, determine which Plan is the Primary Carrier and which is the Secondary Carrier.
- Submit all necessary claim forms and original receipts to the Primary Carrier.
- Keep a photocopy of each receipt until your claim has been settled.
- Once your claim has been settled by the Primary Carrier, you will receive a statement outlining how your claim has been handled. Submit this statement along with all necessary claim forms to the Secondary Carrier for further consideration of payment, if applicable.

With Telus, you can be assured that the information contained in your dental claim will be transmitted to Coughlin quickly, safely and confidentially right from your dentist's office.

To take advantage of Coughlin's EDI service, please inform your dentist that Coughlin is your plan administrator and present them with the following security codes:

- the Coughlin Telus carrier identification number (also known as the BIN number) is **610105 on the Telus network**;

Your unique member identification number can be found on your monthly statement. The Administrator can also provide you with your member identification number.

Pre-Authorization

For treatment where the estimated cost is \$500 or more, predetermination of costs should be obtained from the Plan Administrator.

Have your dentist/ denturist complete the appropriate form or section. Mail the form to the Plan Administrator.

For a proposed treatment plan which includes crown or bridgework, please ask your dentist to send the applicable x-rays with the form.

A letter will be sent to the dentist/ denturist with a copy to you, showing how much the Plan will pay.

When your dental care claim is submitted electronically, it will be processed within two to four business days.

If your dental office is not set up with EDI, the dental office must submit a Dental claim form completed and signed by the dentist, satisfactory to the Administrator.
