

MOEL: GROUP TRAVEL INSURANCE

COVID-19 UPDATE

Travel Coverage via insurer Royal Sun Alliance (RSA) /Global Excel:

- For active and retired insured members (including eligible dependents) under the age of 70
- \$5 million of coverage per person per trip
- Subject to 90 days trip duration

(September 1, 2021) The Government of Canada continues to issue a global travel advisory to avoid all non-essential travel outside Canada given continued COVID-19 pandemic.

If you choose to travel, your coverage includes COVID-19 treatment for both essential and non-essential travel. Please note you will not be reimbursed for any COVID-19 tests (e.g. rapid, molecular, etc.) that may be required as proof to leave or return to Canada, nor for any hotel, food, security or transportation associated with mandatory quarantine related to travel.

Please always keep your group travel insurance card with you and call Global Excel/RSA as soon as possible to coordinate medical treatment in the event of an emergency.

Before booking travel, please review the Government of Canada travel advisories as they may change frequently. Our concern being return transportation options, new requirements may create significant out of pocket costs and availability of medical care may become very limited outside Canada. To understand the requirements for Travel (i.e., Land or Air) visit:

If you need to stay longer than the 90 day trip duration offered, as RSA's individual top-up/extension travel plans DO NOT include COVID-19 coverage, you may contact:

1. Medi-Quote (except in QC, NB, PEI & NFLD) toll free at 1-800-661-3098 or info@mediquote.ca or
2. Manulife - To obtain a top-up policy with COVID-19 coverage included please call 1-844-378-3894. You will need to advise that you are currently insured under a group travel policy being inclusive of COVID-19 coverage.
